Dear Members

WORLDCON 2028

Village Roadshow Theme Parks is delighted to endorse Brisbane's bid to host Worldcon in 2028.

With a proud and longstanding presence in South East Queensland, Village Roadshow Theme Parks is home to some of Australia's most iconic attractions, including Warner Bros. Movie World, Sea World and Wet'n'Wild. We are passionate about delivering world-class entertainment experiences and contributing to the region's vibrant tourism industry, values that align perfectly with the creative and imaginative spirit of Worldcon.

We are excited about the opportunity for Brisbane to host this prestigious event and are committed to supporting its successful delivery should the city be selected.

Brisbane's strategic location within the Asia Pacific region, its strong global connectivity and the availability of a premier convention centre in the heart of the CBD make it an outstanding choice for an international event of this calibre. Combined with its warm, subtropical climate, Brisbane offers an inviting and memorable experience for visiting Members.

Should Brisbane's bid succeed, Village Roadshow Theme Parks would be delighted to welcome Worldcon Members to Warner Bros. Movie World, giving them the chance to enjoy one of the region's premier entertainment attractions during their visit.

We strongly support Brisbane's bid and look forward to the opportunity to help make Worldcon 2028 an unforgettable experience for all.

Yours faithfully
